Cohuna Kangas Football Netball Club's heritage is derived from Cohuna Football Club, which was formed in 1913 and Union Football Club which was formed in 1919. Both clubs were based in the township of Cohuna.

At the end of the 1996 season, the two clubs merged to form the Cohuna Kangas Football Netball Club. Under this banner we joined the Central Murray Football League and adopted the Fremantle colours along with the name of "Kangas".

Supporting 3 Senior Football Teams, 3 Junior Football Teams and 6 Netball Teams the Cohuna Kangas Football Netball Club aim to create a mutually healthy environment in which men and women, boys and girls can play Football or Netball. An environment where all involved, be it players, volunteers, family, friends or sponsors are valued, respected and encouraged.

Our vision is to embrace the wider community's support and involvement in an endeavour to create a healthy and sustainable future for our club.
